- the contemporary British settler-colonialism along with its inherent genocidal-policies
- the gang-stalking
- the electronic-harrasment (directed-energy weapons against innocent civilians)
- the involuntary brain-implanting; the involuntary human experimentation
- the mind-control; the child organs-harvesting
- the May 21th, 1949 international treaty (Komossa)
- the Greek dictatorship
- the political assassinations (e.g. Giannos Kranidiotis, etc.)
- the unsafe telecommunication channels
- the weaponisation of the supermarkets and of certain lethal illnesses like cancer, alzheimer, aids, hepatitis, etc.
- the European citizens', the security authorities', the armed forces', and the politicians' apathy with regard to the ongoing in Europe, calamity

Under these circumstances, millions of innocent European citizens they are being, murdered; tortured; suffer enforced illnesses; displaced; gang-stalked; exiled; robbed; cooked (microwaves); marginalised; unjustly imprisoned; unjustly institutionalised; slandered; and mistreated in myriad ways. And many of them they are craving, literary “screaming” (one of them myself) over the Internet, for legal support and no one; NO ONE, responds.

Due to historical reasons, the European politicians, potentially, they may be targeted for influencing by the worst criminal organisations the mankind has ever known, namely the MI5, the C.I.A., the FSB/KGB, the Mossad and the MIT.

Therefore, I ask the ordinary European citizens, if they would be able and willing to fulfil their formal duties to their corresponding Nation, in case they were leading figures in their government, specifically in cases like Greece, while, a calamity of such magnitude had been unfolding and simultaneously, their fellow citizens remained unsuspected and apathetic?

Christos Boumpoulis

economist

P.S.:

Is there any European citizen who hasn't understood why the quasi "soap-operas" at Iran, at Libya and the rest, are being fabricated? Is there any European citizen who hasn't understood that, in case the Europeans as a whole, they do not react against the ongoing calamity, then, the settler-colonisers, most probably, they are going to either, hard-kill us (physically), or, soft-kill us (transhumanisation – mental/spiritual murder), all?
