In Greece, one by one, the members of the natural leadership are being assassinated, due to their overt patriotism, by methods which they conform to the “plausible deniability principle.

Neoklis Sarris, Giannos Kranidiotis, archib. Christodoulos, Malvina Karali, Tassos Papadopoulos, Alekos Panagoulis, Arleta, Panagiotis Kondylis, and almost all the rest of the members.

as from our human-rights, and they are letting us defenceless and exposed to the advanced criminal technology of the worst criminal organisations in our world (MI5/MI6, C.I.A., FSB, Mossad, MIT).

The settler-colonising Nations seem to perpetrate a unilateral hybrid war against the rest of the Nations which they suffer tremendous casualties with no reaction from their behalf.
