## **Open Letter to Chancellor Angela Merkel 28-07-2020**

Your Excellency Dr Angela Merkel,

The contemporary settler-colonizing Nations, namely the U2RIT, efficiently though almost honestly, earn their living by settler-colonizing, also, the European Continent.

The indigenous Europeans', land; resources; children; and future, gradually, they become confiscated by them.

Many genocidal-policies are being applied against the Europeans which they cause tremendous misery and early deaths (biological or degradation to, quasi, "empty vessels"/"organic-portals")

to them.

Before the indigenous Tasmanians' total-genocide, the British settlers which they justly embedded the criminal mentality of actual convicts, they were provided with impunity and weapons in order to exterminate as many as possible of the indigenous and relatively weak, inhabitants of Tasmania. The outcome was, inevitably, the total genocide of the Tasmanians.

Essentially the same happens, today, in the European Continent, both, among its human inhabitant, as well as, among its consisting States.

Hashish, narcotics, prescribed-medications, brain-implants, Monarch-programming, and other instrumental means, they are being employed in order to artificially enforce the mentality of a fabricated "criminal" to a part of the Europe's, indigenous and settlers, inhabitants; while water/salt fluoridation, brain-implants and other instrumental means they are being employed in order to make them relatively weak, all the rest of the inhabitants.

Consequently, the criminalized part of the Europe's population is genociding the rest of the population by using, mostly unconventional weapons and "plausibly-deniable" criminal methods.

The same pattern of bilateral and multilateral interaction applies to the group of the European Continent's States.

Simultaneously, there is a systematic disinformation which is perpetrated by the colonizers in order for the victims of settler-colonialism to remain unable to even comprehend the true causal relationship between, the Europe's settler-colonisation and their tremendous misery and early deaths. For this reason, the Europeans and inevitably, they faultily comprehend imaginary conspiracies which allegedly they involve, "global-governments", etc.

For the above reasons,

1. whatever promotes the criminalization/enlistment of European, indigenous-citizens/States, simultaneously, it promotes the Europe's settler-colonization/genocide.

2. whatever promotes the European indigenous-citizens'/States' weakness, simultaneously, it promotes the Europe's settler-colonization/genocide.

To the degree by which, all of the above, they constitute an accurate description of what is actually happening in Europe, to the same degree, actual and innocent human beings die each day; each hour; each minute. To the same degree, innocent European States degrade and gradually dissolve, each day that passes by. And for avoiding all this catastrophe and in order for removing all existing obstacles towards Europe's, peace, freedom, cooperation, and frugal prosperity, I wish to kindly, ask you to swiftly do the right thing.

Cordially,

Christos Boumpoulis
